## A BOWLING ADVENTURE TO REMEMBER

It's me, your friend Nancy Connelly. At the end of January, the Ashmere Project and Tulgey Wood communities got together at Lucky Strike Bowling in Somerville! The day after Christmas I got an email from Maggie inviting everyone to a bowling outing. I was very happy to read what will be happening and it was Christmas gift by email! I started a "Berkfam countdown." Lisa brought me there, and I saw some long time and new friends. The bowling lanes were very dark and I had to use a cellphone's flashlight to communicate. Did I mind doing that? Heck no! I was talking to friends and getting my battery recharged! This is going to sound corny, but when you are around the people that you care about nothing else matters.

## WHAT IS THE TULGEY WOOD?

Our friends from Tulgey Wood gather together for a 10 day retreat each summer. In August 2022, they also rented a space in western Massachusetts for a group of approximately 20 adults with and without disabilities. We are so lucky to know these amazing people and be part of their 501c(3).
